

MEASURE YOUR BANGLE SIZE

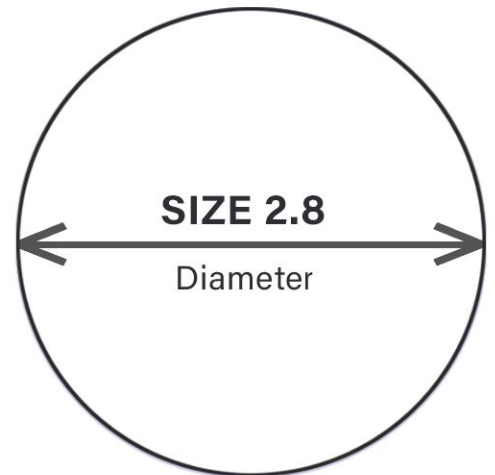

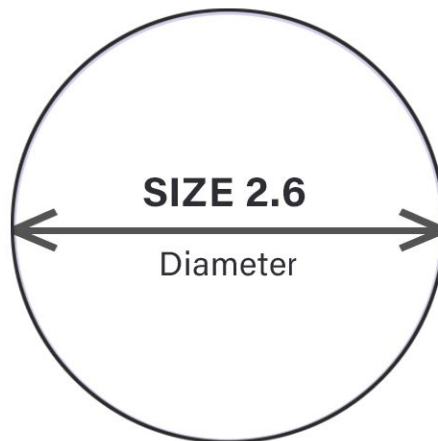

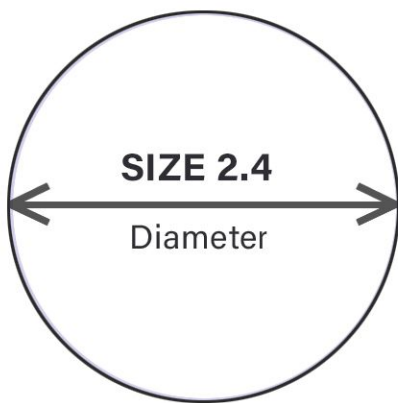

How To Determine Your Bangle Size?

1cm=10mm

- 1) Take a bangle that fits you perfectly.
- 2) Place a ruler horizontally across its centre and note the reading where two ends of the inner circle touch the ruler to get the exact measurement of the diameter in millimeter(mm).
- 3) Look up that diameter on this size chart to get your size.

BANGLE SIZE (INDIAN)	DIAMETER	
	Inches	MM
2.4	2.25	57.2
2.6	2.37	60.3
2.8	2.5	63.5
